### terms & conditions

a discretionary service charge of 10% will be automatically added to your bill. this gratuity is distributed directly to the members of staff who performed your treatment. a 50% deposit is required to secure bookings for all non members. any deposits for bookings cancelled or rescheduled with less than 48 hours notice given are non refundable. prices include vat at 20%.

**before  
your  
waxing  
appointment**

for the best results we suggest our clients gently exfoliate the area to be waxed the day before your treatment. if hair is particularly long or if you are new to waxing, we recommend trimming the hair to no shorter than 5mm.

this will ensure a quicker and less painful treatment. we ask that clients shower before their wax and we do also provide intimate wipes prior to treatment for your convenience.
